

We are Expanding Again – Inside Sales Career Opportunity

LEAF Financial Corporation, a subsidiary of Resource America, Inc. (NASDAQ:REXI), is one of the fastest growing commercial finance and equipment leasing companies in the industry. We originate and service the financing of business-essential equipment and have a track record of success that is well known throughout the financing industry.

LEAF Dealer Solutions, our Moberly Missouri sales center, is seeking sales professionals looking for a long term career opportunity. Are you looking for a stable company that will allow you to build a highly lucrative income and achieve the job satisfaction you have been searching for? Then come join our successful team!

- Comprehensive training program
- All leads provided
- Professional work environment
- No limit on how much you can earn
- Immediate participation in our 401K plan
- Extensive Health benefits plan – No waiting period

We are only accepting candidates that possess a unique combination of skills, personality and experience. Does this sound like you?

- Minimum of two years of business to business selling success track record
- Superior communication and telephone sales skills
- Enjoy the challenge of “closing the deal”
- Possess a winning personality
- Desire to learn and improve your skills
- Strong PC abilities

...Then we would like to invite you to learn more about how LEAF may be the job that will bring you to the next level in your career. If you are interested in joining a dynamic, fast-paced, and growing company send your resume and cover letter to: careers@leaf-financial.com
